

StandardCORE

Modern, Versatile, Simple Installation

BORAL StandardCORE is the most versatile and modern interior lining product, suitable for both ceiling and wall application. BORAL StandardCORE can be fixed to timber, metal framing and masonry construction, while providing an economical yet high quality finish to any interior projects.

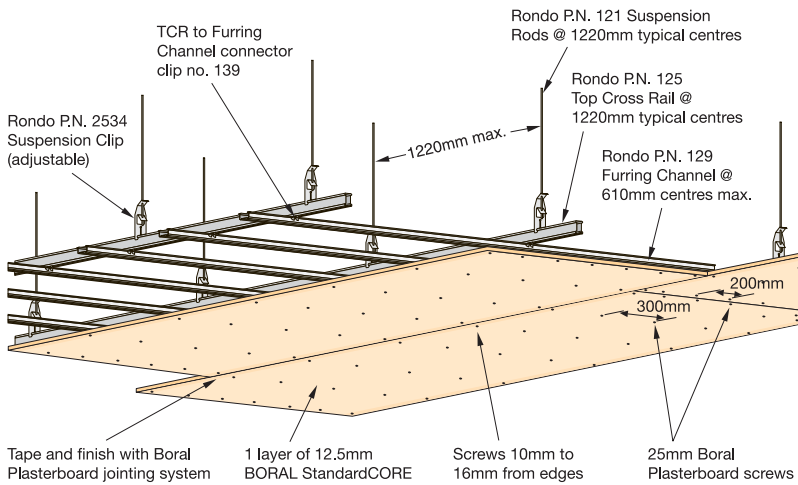

BORAL StandardCORE

BORAL StandardCORE is an interior wall and ceiling lining product, with significant properties for durability and stability. BORAL StandardCORE is composed of a gypsum plaster core encased in heavy-duty face and backing liner. The product is environmentally friendly, and non-hazardous to work with.
